**Verve** is an occasional range with a contemporary feel and a twist of retro styling. Influenced by the Art Deco movement, this collection of furniture reflects the elegant, glamorous, functional, and modern style associated with the late nineteen twenties. The bold use of sweeping curves and the sunburst motif are typical of Art Deco. With its fluent curves and its crisp, symmetrical geometrical lines this furniture is simply both traditional and innovative.

Designed as occasional furniture to provide the finishing touches to any room, **Verve** insures the wow factor is achieved in your home.
